Good afternoon, Sarah,

I hope this email finds you well! I hope you and your family are safe and sound.

Just wanted to check in and share a new location for a storm drainage clean up; is possible. A quick check in for the 'supposed' trash can on Commerce Avenue. I noticed it again during my community drive. Is there a possibility to check on this? I can also make phone calls if need be!

Second, I drove to a case site on Foothill Blvd and Wheatland Avenue. I have attached the images onto this email. If possible, can we work on cleaning the storm drainage?

Looking forward to hearing from you!

Much Gratitude,
Delilah Shahbazian
